- A foundation year at the polytechnics that:
 - Prepares well-performing Sec 4N(A) students for entry into relevant polytechnic diploma courses
 - Serves as an alternative to Sec 5
- Conducted over two academic semesters at the polytechnics

- Sat for GCE N-Level exams as a school candidate in 2024
 - Have obtained an ELMAB3 aggregate of 12 points or less (before deduction of CCA bonus points)
 - Met subject-specific entry requirements as listed on the PFP portal

If you can check all 3 boxes above, you're eligible!
 (Note: Eligibility does not guarantee you a place in a PFP course)

4. How will I be informed of the outcome?

- You should log in to the PFP portal to check your application outcomes on the day of PFP posting results release.
- You will then have to indicate if you wish to accept/reject/appeal the offer.
- If you do not select any option, your offer will become invalid and you will be required to continue with your classes in Sec 5/DPP.
 (Note: If your appeal is successful, your original offer will be voided, regardless of whether you accept the new PFP offer.)

5. What happens next?

- If you accept your offer, you will receive an enrolment package from the polytechnic in February/March 2025.
- The PFP year will start in April 2025.

Key Pointers for Students on ITE's Joint Intake Exercise (JIE)

ALL students in N(T) and N(A) students (who are not progressing to 5N(A) or repeating 4N(A)) are eligible for JIE. Those who were unsuccessful in EAE are also eligible for JIE.

Participation in JIE Main Phase is key to securing a place in ITE!

Use all 12 JIE choices wisely, as competition for 3-year Higher Nitec courses is keen!

Do consult your teachers / ECG counsellors to help you make your choices!

Do use the Last Aggregate Score (LAS) published in ITE's admission portal to help you make your course choices.

If you have received an additional letter, then you are eligible for the Enhanced Foundation Programme (EFP).

If you are eligible for EFP, make sure you apply for both the EFP and the 2-year Nitec/3-year Higher Nitec!

The EFP helps to build the necessary literacy and numeracy foundations that will enable you to successfully complete your course!

If you are counter-offered a course, accept it first before appealing for another course you may be more interested in!
