Key Success Factors

Parental Support

1. Have a conversation with your child / ward
2. Understand your child's aspirations and interests
3. Discuss and uncover the strengths and limitations of your child
4. Identify subject combinations that best meet your child's ability, needs and interests
5. Prioritise your choices
6. Remain open about the different pathways to success

Advice for Students

1. Begin with the end in mind (set your goals)
2. Be true to yourself as you reflect on your personal strengths and limitations
3. Seek help from ECG counsellor if you need guidance and advice
4. Be open to different pathways to success
5. Believe in yourself and set a strong resolution
6. Work towards your goals with a concrete plan
7. Stop procrastinating!

A group of five school students, three girls and two boys, are standing on a green lawn in front of a modern school building. They are all wearing dark blue school uniforms with red ties. The building behind them has a colorful mural on its wall. The students are smiling and looking towards the camera. The text "Thank You" is overlaid in the center of the image.

Thank You
